

VIII ASIAN-EUROPEAN SCIENTIFIC AND PRACTICAL CONFERENCE

OZONE AND OTHER MEDICAL GASES IN BIOLOGY AND THERAPY

Poland, Stutovo

September 10 - 12, 2019

*VIII ASIAN-EUROPEAN SCIENTIFIC AND PRACTICAL
CONFERENCE*

SHTUTOVO, 10 - SEPTEMBER 12, 2019

***OZONE AND OTHER MEDICAL GASES
IN BIOLOGY AND THERAPY***

The program of the conference.

Conference organizers:

Asian-European Union of Ozone Therapists

Polish branch of the Medical Gas Therapy Association

Econika Biomedical Engineering, Poland.

September 10, 2019

09:00 Registration of conference participants.

10:00 **Conference opening: Prof. E. I. Nazarov** - Executive President of the Asian - European Union of Ozone Therapists and Manufacturers of Medical Equipment, Odessa, Ukraine.

Chairs:

Prof. K. N. Kontorshchikova

Medical Academy, Nizhny Novgorod, Russia.

MD, PhD V.V. Talakvadze

Chairman of the Association of Ozone Therapists of Georgia.

PhD M. Sallinen

Chairman of the Finnish Ozone Therapists Association.

MD Jan Mikael Nordfors

Chairman of the Swedish Ozone Therapists Association

T. Szloser

Chairman of the Polish branch of the Medical Gas Therapy Association, Director Econika Biomedical Engineering, Poland.

10:15 - 13:40 FIRST PLENARY SESSION

Chairs: **Prof. K.N. Kontorshchikova, Prof. S.V. Yakimov.**

10:15 - 11:45 **Dr.Sci,Prof. Klavdia Nikolaevna Kontorshchikova**, Nizhny Novgorod Medical Academy, Nizhny Novgorod, Russia.

Report: **Ozone action mechanisms, efficiency and safety of its use.**

11: 45-12: 00 **Coffee time**

12:00 - 13:30 **Dr.Sci,Prof. Evgeny Ivanovich Nazarov**, Asian-European Union of Ozone Therapists and Manufacturers of Medical Equipment, Odessa, Ukraine

Report: **A review of the mechanisms of action and use of ozone, hydrogen and xenon in medicine.**

13:30 - 14:00 **Lunch**

14:00 - 18:00 **SECOND PLENARY SESSION**

Chairs: **Prof. T.G. Scherbatyuk, MD Zornitza Petrova Markantová.**

14:00 - 14:30 **MD Zornitza Petrova Markantová**, European Institute for Molecular Hydrogen Therapy, Czech Republic.

Report: **The hydrogen medicine in Europe - from basic research to practical notes.**

14:30 - 14:50 **MD Renate Thile**, Austrian Society for Ozone Therapy.

Report: **Successful application of Medical Ozone in Austria especially in the Therapy of COPD.**

14:50 - 15:30 **MD, Ruhi Cakir**, Turkey

Report: **My ozone therapy experience of 15 years.**

15: 30-15: 50 **Coffee time**

15: 50-16: 10 **Dr.Sci. Prof. Tatyana Shcherbatyuk**, PIMU Volga Research Medical University, N. Novgorod, Russia.

Report: **Successes and prospects of ozone therapy in experimental oncology.**

16: 10-16: 30 **Ph.D., MD Sergey Sergeevich Kupov**, Onco.Rehab clinic, Moscow, Russia.

Report: **The use of ozone therapy in the treatment of pain in orthopedic patients.**

16:30-17:00 **MD Jan Michael Nordfors**, Chairman of the Swedish Division of the Asian-European Union of Ozone Therapists.

Report: **Using medical gasses and deuterium depletion to treat mitochondrial dysfunction.**

17: 00-18: 00 **Discussion of reports**

20:00 **Bancuet.**

September 11, 2019

10:00 - 13:40 **THIRD PLENARY SESSION**

Chairpersons: Dr.Sci. V. Yu. Titov, Prof. E.I. Nazarov

10:00 - 11:00 **Dr.Sci, Prof. Evgeny Ivanovich Nazarov**, Asian-European Union of Ozone Therapists and Medical Equipment Manufacturers, Odessa, Ukraine

Report: **Ozone Therapy from farmacological point of view. Extracorporeal and intracorporeal methods of ozone therapy.**

11:00 - 11:30 **Dr.Sci. MD.Prof. Sergey Vladimirovich Yakimov**, Krasnoyarsk State Medical University, Krasnoyarsk, Russia.

Report: **The use of ozone therapy in the complex treatment of common peritonitis.**

11:30 - 11:50 **Ph.D., MD. Ass.prof. Nelly Vasilievna Galeeva**, Kazan State Medical University, Kazan, Russia.

Report: **Ozone therapy as a method of metabolic correction of chronic hepatitis C.**

11: 50-12: 10 **Coffee time**

12:10 - 12:40 **Dr.Sci. Vladimir Yuryevich Titov**, Federal Research Center VNITIP RAS, Moscow, Russia.

Report: **Synthesis and metabolism of nitric oxide in the embryo and in adults.**

12: 40-13: 10 **MD. Anastasia Sergeyevna Hatkevich**, IMC White Nights Sanatorium, St. Petersburg, Russia.

Report: **Carboxytherapy.**

13: 10-13: 40 **Ph.D. Miika Sallinen**, Finland Ozone Therapists Association. Finland

Report: **The problems of measuring peroxide number of ozonated oils.**

13: 40-14: 10 **Lunch**

14:10 - 18:00 **FOURTH PLENARY SESSION**

Chairpersons: **Ass. Prof. Viktor Vladimirovich Mehedko,, Ph.D. Miika Sallinen,**

14:10 - 14:40 **Ph.D., MD. Ass.Prof. Viktor Vladimirovich Mekhedko,** National Medical Academy of Postgraduate Education named after P.L. Shupik. Kiev, Ukraine.

Report: **Ozone Therapy in Obstetrics and Gynecology.**

14:40 - 15:10 **Ph.D., MD. Ass. Prof. Igor Leonidovich Dovgy,** National Medical Academy of Postgraduate Education named after P.L. Shupik. Kiev, Ukraine.

Report: **Ozone Therapy in Neurology.**

15:10 - 15:30 **MD. Andrei Bogdanovich Danilevich,** medical Center "Plasma", Truskavets, Ukraine.

Report: **Combination of ozone therapy with therapeutic plasmapheresis.**

15:30 - 16:00 **Ph.D., MD. Stefan Rugina** Head of Centrovet Clinic, Bucuresti, Romania.

Report: **Ozone therapy in small animals veterinary medicine**

16: 00-16: 30 consultant-auditor by specialization in medical devices, **Wojciech Piotrowski,** Poland.

Report: **Approval of medical equipment for trade and use in the European Union - legal requirements.**

16:30 - 18:00 **Discussion of reports, summing up, issuing certificates.**

20:00 - **Dinner.**

September 12, 2019.

Excursion program: bus excursion to the city of Gdansk, Sopot (entry 10.09.19).

10:00 - 14:00 **Workshop:**

Local, intra and extracorporeal methods of ozone therapy and hydrogen therapy using Econika equipment (EBOO-RU, multipass-BAGTO, infusion of ozonized physiological solution with a constant concentration of dissolved ozone (MOF module), vacuum massage against the background of high levels of ozone, etc.) **Prof. Evgeny Ivanovich Nazarov, Ph.D.**

Tatyana Anatolyevna Gluhenkaya, Asian-European Union of Ozone Therapists and Medical Equipment Manufacturers, Odessa, Ukraine.

14: 00-14: 30 **Lunch**

14:30 - 18:00 **Workshop:** Healing by Bode's Own Power / Autologous Therapies (PRP, CGF, PRF, Ozone and Ozone and Others).

MD, Ruhi Cakir, Turkey.

The cost of participation in one master class is 150 \$ (600 PLN)

20:00 - **Dinner.**
